#### MALDON EASTER '85

This letter is to say thankyou to all those people who have replied to our request for information and ideas on the proposals for Maldon Easter '85. I have received some six letters letting me know their views on such things as combats, workshops, etc. Four persons have offered to do workshops on such diverse things as calligraphy, brewing, dance, history and why the Monks of Normandy sold more knacker lacquer than their competitors. One group has already given us approximate numbers on how many are coming to Maldon and are shortly sending twenty pieces of gold each as a deposit on the conference fee.

The New Varangian Guard raises funds mainly through club dues and as such are not as financially secure as some other organisations. Therefore we need you out there to write to us and tell us if you are coming to Maldon, because we need to know numbers for such mundane things as toilet and shower facilities (we have to build them, along with a kitchen), how much food is needed, seating for the banquet and workshops. And if possible send a deposit or full amount of \$50 (convention fee and full catering). We need you to make Maldon '85 a success.

GO MALDON EASTER '85....
