

## **Exciting 2009 Conferention Tavern Development!**

**Lunch is**

**served!**

The Routiers, in addition to serving wonderful beers, ciders, wines and mead at the 2009 New Magdeburg Tavern, will be serving lunches each day from 12-2pm and bar snacks whenever the tavern is open. Hurrah!

Lunches will be available as either a Sausage plate, with bread, sauerkraut and other delicacies or as a vegetarian version with Cheese, eggs & homemade period recipe chutney. Both will have delicious condiments/extras. Breads/sausages and cheese varieties will change from day to day to keep things interesting. Lunches will be \$7, BYO plate & eating gear. Tickets for lunches will be sold each day from opening time at the Tavern until they are all gone (about 25 meals/day) so get in early each day! Bar snacks (no nuts) appropriate to the period will be available each day at incredibly reasonable prices.
