

Dear Voice,

I must extend congratulations to all concerned in making Maldon '89 such a magnificent success. As I sit here rubbing liniment into my aching body, I can say without hesitation it's the most professional & most enjoyable I've ever attended. Give yourselves a pat on the backs, everyone.

I am writing to thank all who were involved in making the last convention what it was. It was a thoroughly enjoyable 4 days and well worth the time and effort expended. My congratulations to all and sundry and may future conventions be equally enjoyable.

Regards,
Keith Baker, South Australia.
