KIDS BOOKLET

PARENTS

Hi Everyone and welcome to Noonameena Lodge. This booklet is for the kids; it contains the kid's timetable, a colouring book and a map of the site. Please make sure that your kids have just as good a time at Convention as do you. To help you do that we have created a kid friendly environment with kids activities, meals and areas. Please remember that parents must supervise all kids under 5 at all times. All other children attending activities should be supervised. We will take as much care as possible with your kids during activities however these activities are not a babysitting service and the committee cannot be held liable. There is a dam located at the top of the site, children should not at any time be allowed near the dam.

KIDS

Hi, this booklet is for you, we have cut out all the boring stuff and packed this booklet full of information and stuff for kids only! We hope you have a great time during the convention here a few things to remember.

- You can find a committee person during the day at the 'admin building'. You can recognise a committee person by the yellow armband they will be wearing.
- If anyone is hurt please tell a responsible person straight away. There will be first aid people to help anyone
- During the entire convention you can get drinks of water, cordial and milk from the Tavern
- There will be a basket of fun stuff like paper, pencils, and books to play with all day. During the nighttime this basket will be in the Kid's Room. Please remember that this stuff is for everyone to use and share.
- There will also be some fun stuff to do at the Perki Kemaki and at other times during the Convention please look at the blackboards near the Marquee to find out about these activities.
- During the feasts there will be videos to watch in the Kid's Room, please ask a responsible person to put these on for you.

Remember HAVE FUN!
